Whispers from The Brighter World
A Fifth Revelation

Saturday, September 23, 2006 – 10:00 a.m.

The Medium: "I am intoxicated by the loving kindness with which your two hearts have invited me to this celestial feast. So much grace is received in these contacts where my extreme smallness – in the face of your greatness – is profusely brimming with impulses of love."

Your song is enriched with melodious sounds merging harmoniously with ours.

"It is your vocation to sing love, therefore, let it express itself when we offer you a place in our divine circle."
