Whispers from The Brighter World
A Fifth Revelation

Monday, February 26, 2007 – 10:00 a.m.

When your mission is completed, and the time of your liberation has come, we will offer you a reception proportionate to the love you have always given us. Like the honey produced in the hive, your heart emanates love. This love is the fruit of a perfect harmony of elements composed naturally according to the laws that prevail in the world of matter.

"Love us, my child, as you do so well. This is all that you can offer us, you say – but with such earnestness!

"Did I not already tell you this: "Without love, perfection has little value"?

"Do your best in spite of how you are constrained by your everyday life, but do not change what makes your heart attractive. Be blessed."
