Whispers from The Brighter World
A Fifth Revelation

Tuesday, February 27, 2007 – 4:00 p.m.

Why do you let yourself be overwhelmed by doubt about your perceptual capabilities? This negative side of your person is fortunately offset by virtues that we appreciate. Our Divine Guide knows better than us what should be done in our respective processes, in many circumstances. His very special overarching vision makes it possible. Life has given and taken back a lot; this is the nature of things in this material world. Only the source of the Imperishable cannot dry up; it keeps quenching our thirst. Remain trustful and surrendered to His power; you cannot change what needs to be, my dear sister. Our blessings accompany you.

"All these years of shared love have established an extraordinary bond between our hearts. Defying time, they will be recorded on the ledgers of our Mission in a lasting manner. Thus will this history dedicated to our Beloved and divine guide continue. Wherever we may be, it will inspire sensitive souls."
