Whispers from The Brighter World
A Fifth Revelation

Friday, March 2, 2007 – 10:00 a.m.

My beloved son, we are close to you, do not lose heart in the face of this extra work related to your birth anniversary. This year, it will reach proportions commensurate with your personality and the existing impact of our Mission in the world.

"It is soaring and you are contributing largely to it. Please stay in the background as far as this event is concerned. Don't exhaust yourself; your two sons should manage everything as well as possible, preventing the excesses of well-intentioned abhyasis. Your health comes first. Who can really understand the weight of your mission in this world?

"Each one of your heartbeats is precious to us; may your heart keep beating for a long time. Please take care of yourself; our love for you makes us insist heavily on this point. What else can we tell you, my very dear son? Our hearts are completely open to you and shower very special blessings on you."
