Beloved Master
Revered Babuji Maharaj

Whispers from The Brighter World
A Fifth Revelation

Friday, August 24, 2007

My child, this 'ultimate' [meeting] will be important. It is meant to confirm your mystical union to the fullest. We will be present, in our own way of course, and you will be specially blessed.

"It is not common for our beloved son, your Master, to visit you physically; but for the occasion, what is at stake, as well as the attractiveness of the event, resides in this scarcity.

"Thus are our wishes for the materialisation of this project, which befits our hearts so well. Prepare yours for this prospect and love Him, above all. You will make us happy.

"Spare yourself, my dear daughter. You have our blessings."

Babuji

(A note from the medium: "When Ajay and Krishna came here in May, Babuji told me, 'Your Master will come to see you in autumn.' Then... didn't he also say, 'What must be will be'.")
