Whispers from The Brighter World

A Fifth Revelation

Tuesday, August 28, 2007 – 4:00 p.m.

My dear sister, by writing these lines, our story unfolds. This story is not fleeting or banal and will fit in quite naturally with the history of our Mission. It will touch hearts by its simplicity and the great sincerity that it inspires. Such a love cannot be feigned; it emanates from the soul and comes from the Supreme Source, from which each one can drink as much as they want. In these moments of intense and ecstatic communion, our hearts merge into That of our Beloved and Divine Guide, in order not to exist any more but in him."
