Whispers from The Brighter World
A Fifth Revelation

Tuesday, January 15, 2008 – 10:00 a.m.

My son is right: men talk too much, generally. Do they know everything? From what they say, it seems not. We have come a long way together whereby your heart has offered itself to us generously. See that which is beautiful and great, and the divine splendour beyond all! Do the miasmas of this world matter compared to the bliss generated by divine splendour?

"My daughter, be at peace. Doing as best you can – is this not 'your raison d'être'? We love you, be sure of that; you are blessed."
