Whispers from The Brighter World
A Fifth Revelation

*Thursday, March 20, 2008 – 10:00 a.m.*

*You cannot imagine how very constructive the acceptance of your pains is. Do not go by appearances, my daughter. Your path is painful but enlightening; your sufferings are your strong points. They escape the eyes of men; only we can appreciate their true worth.*

*"Be blessed."*

*Babuji*
