Whispers from The Brighter World

A Fifth Revelation

Sunday, March 23, 2008 – 10:00 a.m.

We would love to see you happy, in spite of what your body is enduring. Let your heart be overcome with joy. Let it feel itself vibrating in unison with ours, surpassing the world of matter – such a confused one. Here is harmony, purity and happiness, that which transports the soul towards its higher destiny and ennobles it, by adorning it with the most beautiful luminosity. May this moment of joy be like that.

"You can love him – your Master – him whom your heart is calling. He is great and can make your soul rise up to the summit where we are waiting for it."
