Whispers from The Brighter World
A Fifth Revelation

Sunday, October 25, 2008 – 10:30 a.m.

This blessed son brightens the end of your life and allows impressions from the past to well up inside you. Let your hearts exult in love; this love originates in a rare essence, cultivated in secret places where the wait has made their true nature, rich in subtlety, bear fruit.

"What remains of a lifetime, except for the good and the love it fosters, in an increasingly greater expansion from life to life.

"Let this one be for you a door open to the Infinite where any faculty to love is at its peak.

"We bless the two of you, without forgetting your dear children-in-heart: the 'brown-headed' children."
