Whispers from The Brighter World
A Sixth Revelation

Friday, February 20, 2009 – 10:00 a.m.

It would be a sacrilege to interpret the dreams of my son. We have already expressed ourselves on this issue. Psychoanalysis and other similar methods have nothing to do with our Mission. This is to be remembered for the future. Our way is self-sufficient; no addition of any sort should be considered.

May all our abhyasis go more deeply into our teachings and into a method that must be discovered and assimilated before the essence of it can be grasped. Many of our aspirants miss it, as they have not sufficiently interiorised themselves.

May they be touched by grace in their deepest being!

Blessings to all.

Babuji
