Whispers from The Brighter World
A Sixth Revelation

Tuesday, March 3, 2009 – 10:00 a.m.

The 9:00 p.m. prayer is disregarded by many abhyasis in our Mission. It is important and should not be neglected in this way. It is a rallying point, a point of union among hearts on a vibratory level, which creates a favourable egregore, that is to say, a subtle bond among practising abhyasis. This ritual is not to be neglected. Is this too much to ask? It would be wise for all to become aware of this.

A few moments of interiorisation and convergence of thought can only serve our Mission – all our brothers and sisters who have decided to follow their divine Master.

May the wise ones remember it for the good of all.

The busiest ones are not the least fervent; they are not the ones who fail to comply with the requirements of our Mission. Only the heart's commitment is crucial. We wish all to become aware of the importance of this prayer; it requires very little time, but its intensity is decisive and produces the best effects. It is up to all to follow their hearts, for their own good.
