Tuesday, March 24, 2009 – 10:00 a.m.

here will always be something to say. Our contacts are based partly on the day-to-day facts of life, partly on the life of the Mission, and partly on your own life. Spirituality inspires one's life and feeds it, in its essential substance. Rest assured, my daughter; you will not lose this faculty of receiving us, if only through the heart. Be at peace, and accept the good as well as the bad. They both belong to the laws of this world, where the positive and the negative must counterbalance each other. That is the way it goes.
