Thursday, March 26, 2009 – 10:00 a.m.

Privilege of the heart' is a suitable title for these writings. Our contacts are made possible by divine grace, of which you are aware, my child. Your sufferings come as an offering to this grace, from which few human beings benefit in this world. Persevere, for the love of us. Be blessed; you are loved.

Babuji

Thursday, March 26, 2009 – 4:00 p.m.

Our contacts are a true blessing; we can never say it enough. Who else in this world is able to benefit from such preferential treatment? We are the exception that proves the rule: To God nothing is impossible'. The future will bring to light the rarity of this event; let us taste this moment and give thanks.
