Tuesday, March 31, 2009 – 10:00 a.m.

My dear daughter, this encounter is to some extent 'historic'; such a word is not too strong. All this is a little beyond you; how could it be otherwise? The future will show the validity of our comments for this life and future ones. That is the way it goes.

Your story will stand out in the annals of time, in a world where people will have opened their minds to a higher reality.
