Whispers from The Brighter World
A Sixth Revelation

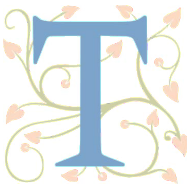

Friday, April 3, 2009 – 10:00 a.m.

Our dear Kamlesh is following his own path. It partakes of this history which binds us, through time. Our Mission is already benefiting from it, and will benefit even more in the future when it will take on its true meaning.

Thus are the mysteries of divine life; they punctuate the lives of beings open to its manifestation among humans.
