Whispers from The Brighter World
A Sixth Revelation

Monday, May 25, 2009 – 10:00 a.m.

The Medium:
O Babuji, you are my source of life, my Eden here below. My soul immerses itself and delights in you. Of what value are words? How could they describe this 'happiness'? It cannot be defined at all. It can only be lived intensely; experiencing this state is an extraordinary grace. Is it the heart that attracts it, Divine Babuji?

A state of vacuity fosters this union, as the call of a soul cannot be ignored. Your soul thrives on this sublime energy; its thirst cannot be assuaged. Its ceaseless call earns it such favours.

Love intensely, my child. Only this love is worthwhile; it opens the most secret doors.

Be at peace and fulfilled in your thirst for the Absolute.
Love is distilled in you like a precious nectar.
