Whispers from The Brighter World
A Sixth Revelation

Sunday, May 30, 2009 – 10:00 a.m.

In these ethereal spaces where your souls are delighted, they find their substance and are regenerated. Such is the goal of these moments of escape where souls unite and merge in the service of the Divine. Subjected to the power of the sovereign Spirit, they follow an established path, and most importantly, one that is actually in line with the divine order.
