Whispers from The Brighter World
A Sixth Revelation

Saturday, June 6, 2009 – 11:30 a.m.

These first two collections pave the way for the ones that will follow, as the latter have even more amazing discoveries in store. Our way has chosen to advance, supported by the divine manifestation that is in the service of 'life' in all its forms. The future of this world depends on it; let us work together for the good of all.
