Whispers from The Brighter World
A Sixth Revelation

Sunday, October 25, 2009 – 10:00 a.m.

This 'love song' of yours will touch hearts. On its own, it is an excellent preparation for the publication of the 'three-corner conferences', as your Master calls them.

These are a precious treasure that will touch many hearts. It is through the heart that wonder unfolds. Without open-heartedness, none of this would happen.

Our most reserved aspirant can be moved by these exchanges in which our voices merge in the same impulse, produced by the power of love – this unique energy which touches hearts that are predestined to make good use of it.

My dear daughter, you are waiting for the consent of your Master. You were urged to write this 'love song'. Do not regret it; it is a blessing in itself. Be thankful for that and love us, as you do so well, my daughter. We love you too.

The Heart
Enjoy the present moment,
The grace that sets in,
Enjoy a granted moment of peace and love,
Enjoy the exquisite sweetness of this contact,
Where you, my heart,
You perceive the greatness of your Master.
You bathe in His light...
Yes, he is a great man, this Being,
Can he fully realise it on a human level?
I doubt it, and yet, his aura dazzles me,
It is that of a giant.
His light illuminates my soul,
Thus can a Master at his level operate
In the ethereal spheres where beings like Him radiate a subtle energy,
Well beyond words, to the souls in need,
Which you do, dear heart.
Dazzling are you, my Master,
Your finery is so beautiful;
It is that of a very Great One.
