Whispers from The Brighter World
A Sixth Revelation

Thursday, April 29, 2010 – 4:00 p.m.

This gathering of faithful souls here below is touching. A true love song rises up to us. The birthday celebrations are valuable in this sense: they unite hearts in a noble purpose. So many ugly things characterise this Earth. This space that is reserved in our way is valued by all of us here. May this celebration never lose its place among the rituals belonging to this path, and may it retain its full scope. Beyond this birth anniversary celebration, the whole Mission rises to the occasion; it attracts the divine flow, illuminating hearts.

We thank you, my dear son, for granting this event a choice place in the course of days. We bless you and our brothers and sisters who are mindful of this special anniversary.

We praise you, dear Parthasarathi, for maintaining the sacred fire.
