Whispers from The Brighter World
A Sixth Revelation

Tuesday, September 28, 2010 – 11:45 p.m.

Your soul, like a blazing sun, is shining brightly; as for your body, it is weathering the ravages of time, and nothing can be done about it.

My dear son, I too went through this decline of the incarnate body, which can severely disturb the strongest of us. How can one not lose his bearings under such circumstances where nothing can allay his fears? Our deepest support cannot offset this increasing physical decline.

How can we help you – you the son so precious to our hearts? You are working like a giant, in spite of everything, still possessing strength of action which we might not have if we were in your place and in similar circumstances.
