Whispers from The Brighter World
A Sixth Revelation

Sunday, January 16, 2011 – 10:00 a.m.

My dearest Parthasarathi,
We are very sensitive to your thoughts: the acquisition of this ashram is a brave act. It partakes of a greater open-mindedness and heralds a future that will provide more access to the multiple means offered to humans for reaching the Divine.

May this initiative meet the expectations of aspirants open to our method of spiritual elevation. Such an acquisition can only benefit the Mission on the [spiritual] plane. Our blessings accompany you, as always; however, make sure that you spare yourself, and delegate if necessary. Do your best, my beloved son; we assent to all your initiatives – they are inspired, whatever you may think. Do the needful according to your own feelings. We are by your side, not always as you would like, but that is part of your challenge. Our love carries you and accompanies you in everything. Whatever you do, you are and will remain our Chosen son, the divine torch of the Sahaj Marg Mission.

To you, the best, dearest son.

Babuji
