Whispers from The Brighter World
A Sixth Revelation

Monday, May 16, 2011 – 10:00 a.m.

May our dear Kamlesh advance on this way of the heart – that of love in its divine essence – this is essential. This sacred geometry of the heart will be revealed to him in due course. We bless him for his loyalty to our cause, and his generous love for us. May he be at peace; all is well for him.
