Whispers from The Brighter World
A Sixth Revelation

Saturday, July 16, 2011 – 10:00 a.m.

Stay calm; see everything that is good in your life materially, emotionally and spiritually. Yours is a path that is not tread by many, and you love infinitely...

That is the golden key; it opens doors that would otherwise remain closed. Loving like that is a godsend; not all beings have it. Therefore be thankful, my daughter.

Your body is suffering, but your heart is happy. Imagine your life without the precious gift that is love at this level. What would it be without the ability to call this sublime energy and to fill yourself with it, as you do?

'Do not go into the garden of flowers,' said the great Saint Kabir. 'Go not there; in your body is the garden of flowers.' This being understood it all. His greatness touched me when I was incarnate. These writings carry the light: one that forever stirs hearts.

In this somewhat special notebook, other thoughts of a different register are being expressed.

Was everything not said earlier? Blessed are the hearts touched by grace.
