Whispers from The Brighter World
A Sixth Revelation

Tuesday, July 19, 2011 – 10:00 a.m.

Find this oasis of peace and serenity within yourself, away from the miasma of material life. Here, all is beauty, peace and, above all, love – the ultimate goal of any spiritual quest. Keep this Eden inside you; see only the beauty of people and not their shortcomings or their grossness. Within each person lies the refuge of the Divine. It is a long road to get there, but the result is worth it. An incarnation is an opportunity for a person to grow, to get rid of this negative dross and move towards the ultimate goal. Blessed are fervent hearts. They are moving towards the light with this strength in them: the divine love that lights their way.

An incarnate spiritual Master is the guide proposed by the higher powers so that what is best in humans can surpass a materiality that is necessary for them, though trying in many respects.

Blessed are the wise; they choose a spiritual path that befits them. May all be blessed and strengthened in their search for the Ultimate Splendour.
