Whispers from The Brighter World
A Sixth Revelation

Tuesday, August 9, 2011 – 10:00 a.m.

Noble and great souls gather in the kingdom of peace and harmony. They all work for the good of humans, whose confusion attracts their attention.

How can the immense flood of evils characterising the human world be stemmed?

Only love shared between people, away from ancient hatreds, religions and aberrant taboos, will save a humanity in distress and blinded by profit-based policies.

May some wisdom prevail here below for the good of all.
