Whispers from The Brighter World
A Sixth Revelation

Sunday, October 9, 2011 – 10:00 a.m.

This nomination delights all of us here; it had long been planned and was prepared in our own way, away from the noise of humans and their often disconcerting reactions.

Here, our vision is fair and free of prejudice. We take this Mission so much to heart; it will go far in its prerogatives and help build a better world, more just and adapted to the new era that is being prepared. Spirituality must change it and ensure that human beings find their true place in a constructive and enlightening setting.

Thus all is well. Be at peace, my daughter.
