Forget your health problems, one day your body will be nothing but ashes.

The Medium: Yes, but in the meantime, one has to manage the situation, Babuji.

For the moment, you are coping, don't be anxious. You are surrounded by delightful people, each one doing what she can for you, and we – we are there too.

Yes, this book on the Golden Jubilee is very well done; it is not updated, but it gives an overall picture of the Mission, which can help a beginner to better grasp it.

We will be near you during this weekend. This will be the baptism of fire for our new recruit; we keep an eye on him.

Rest, my child, don't waste your energy unnecessarily; it is precious for you in serving us.
