Whispers from The Brighter World
A Sixth Revelation

Wednesday, January 4, 2012 – 10:00 a.m.

Rise above all your problems in these moments when your heart surrenders to ours, won't you? Look beyond human appearances to what motivates your personal struggle. Your heart yearns for the Divine and to be increasingly united with the heart of your Master, immersing itself in him, in us, more than it already does. This thirst is endless; it will not end. Such is the power of attraction exerted by this unique vibration emanating from the Divine. Whatever life on the material plane may be, the heart remains, through thick and thin, this sacred sanctuary where the soul can delight in loving, in creating in the depths of the being a continuous and highly beneficial aspiration. Beyond human suffering exists that Eden where real life lies, a life that never ends. Immerse yourself in us, in it, and your heart will be fulfilled, my dear daughter.
