Whispers from The Brighter World
A Sixth Revelation

Wednesday, January 25, 2012 – 9:00 p.m.

My dear son, you know that our major concern about you, particularly at this stage of your life, is precisely your health and well-being. Anything that can maintain or even improve it, and especially anything that can meet a wish expressed by you, can only be agreeable to us. Wherever you may be, you are and will remain the Master of this beautiful and important Sahaj Marg Mission. The Great Master, Revered Lalaji, affirms these comments. This Mission is his work, and this should not be forgotten. You have been serving it for a long time with steadfastness and total commitment. Do the best you can; what matters to us is that you should be satisfied – this is the main thing. Therefore, do as you please according to your wishes. Seeing you rested and happy will fill us, too, with joy. It is up to the abhyasis to comply with your needs and respect your decisions. As for all of us here, you have our blessings.

Dear and great son, seeing you serene and well looked after by people you enjoy is precious to us. Follow your heart as always, and all will be well. You are carried by our love. All those who love you are expressing themselves, here by our side – for you, the Elect of our united hearts. However, you may think carefully before any definitive act, for it is not without consequences.

As for our love, it will not change; that is how it is. Do what is appropriate and heaven will help you under our constant and watchful blessings, my dear son. You are carried by our love.

All yours. Your Master,

Babuji
