Whispers from The Brighter World
A Sixth Revelation

Monday, February 6, 2012 – 11:00 a.m.

Dear Kamlesh,

Watch over your beloved Master. We entrust his well-being and serenity to you. We particularly ask you to ensure that Manapakkam, this highly charged place, should remain and become over time a high place of our Mission. That is how things are. We put our trust in you. You are a man of action; challenges do not scare you. You will have to be strong in the future; times will become difficult and many problems will be insurmountable. The divine will shall prevail in this; human beings cannot change anything about it.

You and your family have all our blessings. Do your best and all will be well, dearest son.
