Whispers from The Brighter World
A Sixth Revelation

Monday, February 27, 2012 – 10:00 a.m.

Soar above this world that is unbearable to you and take refuge in this realm of beauty where your extreme sensitivity can blossom and praise the supreme power. Here, everything is only love and beauty; no wrong note can disturb a perpetual song rising from the pure hearts dedicated to divine service. Prepare your heart for what will come next; you have been looking forward to this weekly meeting, offering up your love in a state of surrender. You deserve excellence, and we will offer it to you thanks to this special means of transmission, a distinctive feature of our spiritual way.

Earlier this year, didn't we promise you some surprises? This one is fully to your liking, it seems. Life has yet a few surprises in store for you, my daughter. Accept what is good and put up with the painful aspects inflicted on you by your body. This burden is heavy to carry, but by and large you endure it gracefully. Your heart overflows with joy in those moments of communion and peace. Prepare your heart for the next step; we will be there again this time around, and our blessings will carry you. Have a good sitting.
