Whispers from The Brighter World
A Sixth Revelation

Monday, February 27, 2012 – 10:30 a.m.

This dear Kamlesh is not ordinary; previous incarnations have formed him. He too will leave his mark on our Mission, just like each one of us has done, but in his own way. He has a nature all his own, and we have been following him for a long time. My son needed a successor of this calibre to assist him effectively and then face up to the future. Thus all is well; what must be, will be. Be at peace in every respect.
