Whispers from The Brighter World

Monday, November 19, 2012 – 10:00 a.m.

Transcend this world and immerse yourself in us, in this protected space where only peace and love predominate in your heart. You are not an ordinary medium – we emphasise this once again; there are more and more mediums in the Mission, but the chosen ones are rare and we select them based on certain criteria. May all our aspirants grasp the importance of these messages. Their Master has chosen to make them known and has thus shown, once again, his great wisdom. It takes time for humans to understand certain necessities; the ego remains, in so many circumstances, the wrong counsellor.

Let us go beyond all these human weaknesses. Delight in the Divine, this sublime energy that allows you to transcend matter and nourish yourself at the divine source. There lie peace and true joy, far from any surrounding negativity. Forget those who are irritating or bitter; see only beauty, that which transports you far from this world to a place where your heart is united with ours, together in this alliance of Masters who are so very attentive to faithful hearts. Purity exists; a spiritual journey elevates souls who are willing to take a step by leaving behind the burdens that hinder them. A genuine commitment allows them to achieve the goal. Blessed are the pure in heart, for they shall see the light. Beyond rituals of all kinds, this sublime allegiance to the incarnate Master opens the doors to a reserved domain. Purity of heart and surrender – these are the essentials.

We will never say it enough: it is in the heart that this wonder grows. Nothing escapes us at this level, and it would be time our aspirants became aware of it.

This is how it is.
