Whispers from The Brighter World

Tuesday, May 7, 2013 — 10:00 a.m.

Every day is an opportunity to grow, to move towards the goal. Nothing should be overlooked; everything is counted and constitutes a person's path. We are not asking for feats and asceticism, but for a sincere commitment of the heart, perseverance in practice and total respect towards the Master who is fully dedicated in his commitment to this beautiful Sahaj Marg Mission.

"It is up to each one to see and appreciate what they are offered and what they personally derive from it, even if the surest effects are not always visible. Nothing is lost, and everything is possible under our blessings."
