Whispers from The Brighter World

Wednesday, May 8, 2013 – 10:00 a.m.

Spare yourself, we can only repeat it. These messages, as you can see by rereading an old book, have a different vibration. All of them are important and should be read for the good of our aspirants. Everything is intended in this manner and will follow its course as planned. What you have given here by divine grace is priceless; only an ardent and totally surrendered heart could render it in this way. Your channelling capabilities are not ordinary; you are a special case in our Mission where you will not be forgotten, be assured of that, even if you don't take this aspect into account.

Thus all is well; you are carried and blessed, my dear daughter.
