Whispers from The Brighter World

Thursday, May 9, 2013 — 10:00 a.m.

Receive in your heart the waves of love generated by the beneficial effect that these messages have on the hearts of all our faithful readers.

"This unusual epic will remain an important feature in our Mission, leaving a permanent mark on current and future times. Be happy for all this work that is being achieved in a state of utmost surrender and that carries so much subtle energy. May all fully enjoy it, more and more.

"Be carried and blessed by all of us who are united in this praise to the divine Power."
