Montpellier

(9:00 a.m.: sitting with Lorrain. Visit of Babuji. Message for Lorrain.)

ell him that I am happy with him; thank him for his work.

(He shows me Lorrain's chest. What does he mean?)

Tell him that I am looking after him; he knows ...

(And this for me.)

I want you to be like a pearl.

Babuji

The Medium: O Babuji, ... what a job!
