Whispers from The Brighter World

Friday, January 2, 2015 – 10:00 a.m.

This place is the meeting point of the beautiful souls who express themselves here, in this very special environment where a fervent heart feels their presence with so much love. It will continue to be marked by our presence; so many uncommon events have occurred here that it cannot be otherwise. The future will confirm the reality of these words.

Our beloved and great Kamlesh will also appreciate it for all it represents that is special in our Mission regarding these numerous messages, written over such a long period of time that they will stand out as an inescapable reality for this way of Sahaj Marg. Blessed, in some way, by the higher authorities, this place will be recognised as such. Moreover, a beautiful ashram nearby will attract more and more brothers and sisters, and so should it be. This Mission will continue to soar under the authority of the new Master, recently vested yet already aware of the extraordinary role through which he will be able to exercise his skills as required.

We are confident about the Sahaj Marg path, so dear to us. May all be truly committed and thus contribute to the expansion of this Mission as desired and supported by the heavenly powers.

The best wishes possible for this entire Mission – special blessings.
