Whispers from The Brighter World

Tuesday, January 13, 2015 – 10:00 a.m.

Dearest Kamlesh,

A path is opening before you; now that you are vested with the powers of a spiritual Master, it is yours with our full support to lead this Mission, so dear to us all, at the highest level. You will succeed in it – such is your destiny and the destiny of an unprecedented spiritual path given in this world at a pivotal moment of its evolution. Big changes will occur on Earth, they have long been foreseen. Humans will have to adapt on the material plane and conquer, for their own good, a space of inner freedom that fosters their spiritual evolution.

Beautiful and great souls have been serving our Mission with constancy for a long time; their aura is shining in its firmament. May all motivate themselves and show their commitment more than ever, carried by an unprecedented surge of love towards the Masters. Parthasarathi is discovering the Sahaj Marg way differently, seen from very high up, one might say, and he marvels at the fervour it radiates in the hearts of so many abhyasis, some of them having been committed for a very long time. Thus all is well; may all realise that a page is being turned, and may each in their own manner, with all possible commitment towards the incarnate Master – our dear Kamlesh – write the most beautiful pages of this Mission, so precious to us.

Blessings.

Babuji
