Whispers from The Brighter World

Sunday, March 1, 2015 — 10:00 p.m.

Forget your worries; they should not disturb this heavenly contact that is so elating for your heart. Life on Earth is as it is, and one must put up with it. The most important thing is elsewhere, as you know very well — you who can glide between worlds. Your gifts are not ordinary, hence our choice. All channelling capabilities are not reliable; not all of them could be expressed in this context. Doesn't everything have its raison d'être! Everyone plays their part here below, as expected in the vast divine plans that are followed and adapted to humankind. Each kingdom here below has its own laws which are respected by the relevant species. However, human beings cannot yet find a desirable balance, and this will be needed in order to manage the major changes that will occur all over the Earth.

"A new era will align the different kingdoms with one another with a view to a perfect and desired union. This way of Sahaj Marg is a gem whose true potential will be discovered with time. While becoming more refined, the human being will adjust more easily to principles that are not yet revealed, and for good reasons. Everything will fall into place as planned by the higher authorities — what must be will be.

"May all our abhyasis be motivated and win over, in their own manner, a sacred space that is offered to them; we are helping them as best as possible.

"Special blessings."
