Whispers from The Brighter World

Friday, October 9, 2015 — 10:00 a.m.

Immerse yourself in us, in this ocean of love where your soul delights. There, you can happily tune in to us. Only beauty surfaces in your consciousness, and you can receive our vibrations in this delightful state. This ritual is not ordinary. It will continue in a different way when you come and join us on the heavenly fields. You will then experience peace and harmony during the necessary period before returning one last time for a special mission.

"It will be a milestone on this path of Sahaj Marg — everything is written and will take shape at the appropriate time. A heart offered to the Divine aligns itself with an exceptional destiny. Surrender and love — are they not the best possible advantages in such situations. Destiny is unavoidable; for the occasion we can only rejoice and surround that soul to the fullest extent. Be at peace, all is well. Dear Master Kamlesh, too, will surely rejoice. Many events will surprise him; he is not yet at the end of his discoveries. The Mission will continue to expand. Many events will occur, and thus will its history unfold. To all, the best. Even in the midst of turmoil, the divine will manifests in the form that suits it.

"Very special blessings to all."
