Whispers from The Brighter World

Sunday, January 3, 2016 – 10:00 a.m.

The powerful outpouring of our love overwhelms you, and it extends throughout the Mission. This message is another testimony to it. This seminar in Lyon – whether attended or not – will leave its mark on the minds of many of our brothers and sisters who are receptive to this extraordinary action of our dear Kamlesh, a spiritual Master chosen by us all to achieve the best according to our wishes. What is accomplished in the long run will remain crucial; changes and modifications in the structures will still be needed to facilitate the practice and the expansion of this Sahaj Marg Mission across the world. It expands according to our wishes, and its action will intensify over time in response to an unprecedented appeal.

The best to all from our united hearts, under our endless blessings.
