Whispers from The Brighter World

Saturday, February 13, 2016 – 10:00 a.m.

Some tolerance is indeed welcome on a path like Sahaj Marg, where the heart in particular is the target of our action. Life today is not simple; humans live in perpetual constraint on the material plane, and none can escape it. Setting aside a space of peace to follow and practise this spiritual system denotes a certain degree of wisdom. We are attentive to the commitment of all our brothers and sisters. Nothing is ever simple, but involving oneself in such a journey bears fruit, you can be sure.

Nothing is futile in this approach; everything is counted concerning the efforts and real commitment of each one. Such an opportunity offered in one's lifetime is a true benefit. Following a spiritual path capable of changing the seeker to such an extent is very satisfying. It is not easy for the abhyasi to evaluate the results obtained spiritually, but everything is counted, be sure of it. From one lifetime to the next, the fruits of such a commitment accumulate, with all they can bring of a very positive nature to the seeker. None is forgotten, everything done in this direction is counted. We see with happiness many souls being carried by our action, to blossom and progress in a radical manner. Perseverance and faith are necessary here; nothing is in vain, be sure of it, Sahaj Marg will continue to astonish.

May all obtain the best in this ceaseless quest of the Divine, under our constant blessings.
