Basant Panchami

(Lumbar ailment, following the Filipino's consultation.
Morning meditation.)

The Medium: "Babuji, see to it that during this seminar I should feel better, at least by reducing my suffering to the minimum, please."

Haven't I always helped you when necessary?"

Babuji

(The same morning meditation.)

The Medium: "Revered, Lalaji, I beg you: help me, see to it that I should no longer have to go everywhere for healing and remain there. Let me feel better at least for the Basant celebration, I beg you."

"Anything you can be relieved of will be removed."

Lalaji

Tuesday, March 28, 1995 - 11:00 p.m.

(In meditation.

In connection with the trip to Lausanne to consult Doctor Lang, where I was no longer intending to go.)

Do it for me, if you do not want to do it for yourself. I need you."

(Humorously.)

"Is this fine with you?"
