My dear child, you are a sun for my heart. Our relationship is very special, do you realize it?"

The Medium: "My love is completely disinterested; is it due to that?"

"It is one of the reasons, but there are more of them. The bonds of the heart cannot be explained, they are subtle and beyond any formulas."

Babuji

The Medium: "Babuji, you are thousands of suns in me where I can take refuge when I can't stand the world any more and when my body becomes uninhabitable."
