Whispers from The Brighter World

Friday July 1, 2016 — 10:30 a.m.

Our dear Kamlesh has quickly caught up with us; his potential is far from commonplace. There is a reason he is the Chosen One. He has already done a lot, but he still has much to accomplish in the times to come in order to meet our expectations and thus grant the Mission the best possible for its expansion and a total and unprecedented fulfilment. We carry him with much love; he should never doubt it. We cannot spare him disappointments of every sort — such is life. However, he is blessed by us all and by higher powers. And so we wish him strength and courage, and send him all possible love from our united hearts. His greatness will definitely leave its mark on this way of the heart.
