Whispers from The Brighter World

Sunday, July 10, 2016 – 10:00 a.m.

Thousands of messages have been given, we repeat, so we can confine ourselves to a heart contact, to a transmission, as it is called in our Mission. You have given so much attention and especially love, to meet our expectations. You are our chosen and much loved medium, as you already know.

This relationship of the heart is special, it will not end and it will take an unparalleled place within our Mission.

Vigilance will then be required, where plagiarism will not be lacking. We will keep watch as best we can, to enlighten our dear great son Kamlesh.

You can only rejoice for the work done, it is unique, we have stressed this enough.

Be at peace; let us remain in union of heart and mind, to go to the end of the road, accompanying you as best we can.

Be reassured, we are at your side, we are watching over your dear person. Do not be embarrassed by these words, this message must not be ignored. Special blessings to you, dear soul, and to all our brothers and sisters who are attentive to these writings.
