Whispers from The Brighter World

Sunday, July 17, 2016 – 10:00 a.m.

Love overwhelms your heart in these blessed moments of contact with ours. The number of these messages is unprecedented in history, and in this also, our Mission stands out. It opens into the future a path wide and bright, offering beautiful perspectives. It is up to everyone to really invest themselves and take advantage of this opportunity, under our special blessings.
